Importance: High

Hi Clarke,

The geographic scope of the Order includes only one facility – Washington Works in Washington, WV. It covers three counties in Ohio -- Washington, Meigs, and Athens – that contain four public water systems: Belpre Public Works in Belpre, Little Hocking Water Association (LHWA) in Little Hocking, Tupper Plains-Chester Water District in Tupper Plains, and Village of Pomeroy Water Department in Pomeroy.

The area includes three counties in WV -- Jackson, Wood, and Mason – that contain for PWSs: Lubeck Public Service District (PSD) in Lubeck, Mason County PSD in Mason County, Vienna, and Parkersburg.

Please let me know if you need any further information. I am cc'ing Roger Reinhart in Region 3 to confirm my responses for WV areas.

Best wishes,
Heather

Heather,

Hi.

Quick question -- I have heard the geographic scope of the DuPont Order described in many different ways, can you tell me the way in which we should report this scope externally?

- What are the facilities names (e.g., Washington Works, WV and....)?
- What are the towns or counties in the two states (e.g., Parkersburg, WV and....)?

Thanks,
Clarke

Hi – I'm including Heather Shoven and Tom Poy (as well as others) on this email, to provide information on R5 SDWA actions on PFOA. I'm also copying my BCs for RCRA and SF about non-SDWA actions related to PFOA in R5. Please see the request below from OECA's Communications office. Thanks-Jacquie

Subject: Urgent request for information re: PFOA - SDWA 1431 Actions? Other Actions?

Importance: High

Hello all,

I received a request from our OECA's Communications office to provide information on all actions EPA has taken to date regarding PFOA. Apparently, the reporter has a tight turn-around, so if you all can let me know what you know as soon as possible, it is greatly appreciated.

I know that EPA has the following SDWA 1431s, but maybe you all can fill in the blanks and let me know if you know of any other actions?

Please provide a better name for these cases as I typically just know the shorthand name.

Active SDWA 1431 Orders:

- Region 3/5 – DuPont – Washington Works
- Region 3 - Federal Facility – Navy and/or Air Force
- Region 1 - Federal Facility (Does anyone have more information on this Order? Maybe a contact in Region 1?)

Are there other SDWA 1431 Orders?

Are there other actions not using SDWA 1431?

Thanks,
Clarke
